

ANNUAL REPORT 2014

SOS CHILDREN'S
VILLAGES
ILLINOIS

Every child deserves a home

SOS CHILDREN'S VILLAGES ILLINOIS

Dear Friends:

For over 20 years, SOS Children's Villages Illinois has provided help, hope, and safety for brothers and sisters in foster care. We are inspired everyday by the life-changing outcomes of our advocacy, services, and the impact our programs offer to the children in our care. Thank you for your generous support, which is critical to our work and serves as an endorsement of our efforts.

SOS Children's Villages Illinois is first and foremost about each child we serve, their families, and the surrounding communities. Our successful model of care offers an alternative to traditional foster care. We believe in powerful principles – keeping siblings together, having full-time, professionally trained foster parents to care for the children, offering a safe and stable home environment, and surrounding each with a community of support. Our commitment to these principles and our passionate belief that every child deserves to feel a sense of belonging drive us to accept nothing less than continued growth, innovation, and success.

From the beginning, SOS Children's Villages Illinois has focused on reuniting siblings who are often separated when they enter the foster care system. Today, we are the first call made by the Illinois Department of Children and Family Services when placing large sibling groups. When brothers and sisters, who have experienced abuse, abandonment, or neglect, are given the chance to be children, experience the support of their brothers and sisters, and are given one-on-one attention that gives each child the chance to succeed, our children thrive.

We thank you, our volunteers, donors, corporate partners and friends for your time, talent, resources and philanthropy. Your contributions make a significant difference in the lives of our children and families. These investments assure that the future of SOS Children's Villages Illinois holds still unimagined possibilities for every child.

Sincerely,

Don Biernacki
Board President
SOS Children's Villages Illinois

Tim McCormick
Chief Executive Officer
SOS Children's Villages Illinois

“My time at SOS Illinois allowed me to stay in contact with my family, giving us that sense of togetherness, and that enabled me to be more hopeful for my future. Because of that, I am in college and on track to graduate this coming December in 2015.”

—Terik, SOS Alumnus

2014 ACCOMPLISHMENTS

In 2014, SOS Children’s Villages Illinois achieved great programmatic success. Take a look at our outcomes by the numbers. At SOS Illinois:

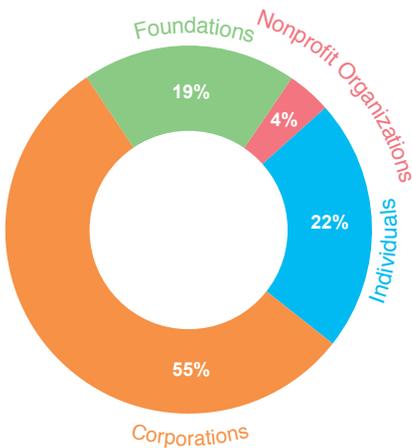

- **60,400** days of service and **2,154,960** hours of care were provided
- **698** total children were served (the highest number in our history!)
- The average age of children at our Villages is **10.61** years old
- **127** new children found a safe and loving home
- The average size of sibling groups entering SOS Illinois is **5.46** children, with our largest group being **11** children
- We celebrated a **100%** high school graduation rate, compared to the national average of 50% of children in foster care
- **95%** of youth attended **90%** or more of school days
- Our foster parents serve an average of **4.58** years, nationally foster parents serve an average of one (1) year
- SOS University offered more than **30** classes and staff completed over **500** hours of training

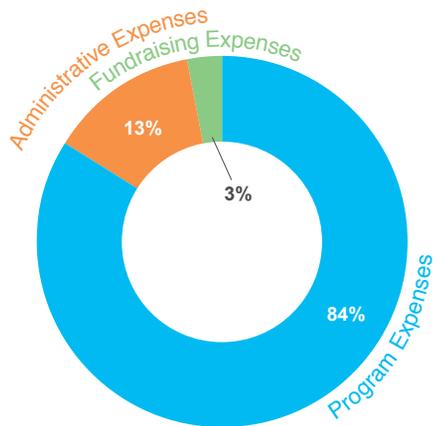

We have maintained a **4-Star Charity Navigator award** for seven consecutive years – only 2% of charities in U.S. have this distinction.

"The SOS Children's Villages model is like a light under a bushel basket that more people need to know about and support. It takes an unfortunate situation and transforms it into a supportive, loving experience for foster children by prioritizing what's most important: keeping siblings together, providing stability through homes and trained foster parents, and creating compassionate and caring communities. It's a unique approach that sets a standard for how to assist children in the foster care system and I am proud to help lift the basket for such an impactful organization."

—Ed Wehmer, President & CEO,
Wintrust Financial Corporation

ABOUT SOS CHILDREN'S VILLAGES ILLINOIS

At SOS Children's Villages Illinois, we build families. We provide a stable home in a supportive, community environment designed to help children in need grow into caring, productive, and self-reliant adults. SOS Children's Villages International, the umbrella organization under which SOS Children's Villages Illinois operates, began in Europe in 1945 after World War II; today, it is the largest non-denominational child welfare agency in the world.

The SOS Children's Villages model differs from traditional foster care in emphasizing the following four components:

1. Children live together with their siblings,
2. Children receive care and support from a full-time, professionally trained foster parent,
3. Children grow up in a private, single-family home,
4. Children are supported by the Village, designed as an intentional community of care.

"Being a professional foster parent is about ensuring that the children are feeling loved. It's about finding ways to engage the children in daily activities, having fun with the children in your home, and loving them through this process."

—Miss Brown,
SOS Illinois Professional Foster Parent

SOS Children's Villages Illinois is serving more children than ever before:

- Lockport Village, 18 private, single family foster homes
- Chicago Village, 17 private, single family foster homes
- Casa Tepeyac, short-term residential facility
- Roosevelt Square Village, 14 private, single family foster homes
